

HOUSE PREPARES TO VOTE TAX BILL

M. E. MINISTERS RE-NAME SAYRE, ATTACK R. O. T. C.

Circleville Pastor Chosen Secretary - Treasurer of Chillicothe Area

RESOLUTION ADOPTED

Dr. McClure's Address to Be Highlight of Afternoon Conference

Rev. Herman A. Sayre, pastor of the First Methodist Episcopal church, was re-elected secretary and treasurer of the Chillicothe district Tuesday morning at the annual conference held in the local church.

The Rev. Mr. Sayre has held the position for the last 15 years. This office is the only elective office in the conference.

Approximately 350 pastors and laymen from churches in Fairfield, Athens, Vinton, Hocking, Ross, Madison and Pickaway counties attended the morning sessions. A larger crowd was expected for the afternoon meetings which started at 2 p. m. The Commercial Point church won recognition for having the largest delegation at the meeting. Twenty-one from the church attended the sessions.

R. O. T. C. Is Protested

A resolution protesting the organization of an R. O. T. C. unit at Ohio University, Athens, was adopted at the conference and petitions were issued for circulation among church members. Pastors for some time have opposed the plan to introduce the unit into the university.

The program opened with a devotional service in charge of Rev. Alvin V. Ritts, Pickerington. This was followed by the business session and a sermon by Rev. H. A. Simmons, Bremen, on "Social Interpretation of the Gospel." Two speakers listed for the morning session, Judge R. G. Hornbeck, London, and Roland Bright, Logan, were unable to attend. Rev. Samuel Staggs, from the Philippine Islands, and L. P. Mooney, Logan, substituted. The afternoon program included a song service in charge of Robert M. Morris, New Holland; addresses by Drs. E. L. Motter, James Thomas, and Robert O. McClure, district superintendent, all of Columbus; a program by the local church choir, and communion.

STEPHEN BOOTS RITES

Funeral services will be conducted Wednesday at 2 p. m. in Williamsport for Stephen A. Boots, who died Monday at noon. Rev. W. A. Moore will officiate with burial in Springlawn cemetery.

Egyptian King Dead

King Is Dead

KING FUAD

KING FUAD of Egypt, ruler for 19 years, was dead today and his son, Farouk, 16, who succeeds him are shown above. The father died of a throat infection with which he was stricken last week. Death came a few hours after his physicians reported him improved.

The New Ruler

PRINCE FAROUK

His death leaves the Egyptian political situation tense. The son, who has been attending school in England, left last night for his native land. He will take over the power of government as soon as he reaches Cairo.

Fuad, 68, Infection Victim; Long Fight Against Nationalist Ended

SON ENROUTE TO HOME

Effort to Curb Bloody Rioting Against British Rule Takes Strength

CAIRO, April 28.—(UP)—King Fuad I, ninth sovereign of the present Egyptian dynasty, died in the 19th year of his reign, at 68 years of age.

Prince Farouk, his 16-year-old only son, about to leave London for Cairo, automatically succeeded him, to reign under a regency headed by Prince Mohammed Ali, his third cousin.

King Fuad died after a long period of ill health, partly due to the great strain of the political situation, with leaders battling always over relations with Great Britain—the dominant nationalists demanding absolute independence and asserting that Britain dominated Egypt because of its vital importance in the Mediterranean, commanding as it does the approaches to the Suez Canal running through it.

Death was due to inflammation of the mouth, complicated by gangrenous tendencies. Twice in recent days the king's life was despaired of.

In Coma Monday

Fuad lapsed into coma yesterday after summoning his daughters to his bedside, where Queen Nazli was constantly beside him.

Prince Farouk was summoned to Cairo by telephone late last night. He has been living in a great home in the London environs, under close guard, to be educated by a selected staff of tutors and disciplinarians.

The king's death came at an opportune moment for Egypt, while rival political factions are struggling for power and unrest is seething as result of alleged British domination of the Egyptian government.

Cairo and other cities still show signs of recent bloody riots in which troops and police battled nationalist demonstrators and students, killing scores and wounding hundreds, during anti-British outbreaks.

This weighed heavily on King

TREND OF EAST STUDIED AS TWO STATES BALLOT

Roosevelt Certain to Win All Delegates in Pennsylvania, Observers Say

BRECKENRIDGE IS FOE

Borah Expected to Receive Large Complimentary Tally in Primary

BY UNITED PRESS
Pennsylvania and Massachusetts elected delegates to the Republican and Democratic National conventions today in primaries many observers believed would reveal the trend of political sentiment in the industrial east.

While President Roosevelt was virtually assured of pledged delegations from each state, and while election of unpledged Republican delegates seemed certain, both states provided means for the voter to state his preference among candidates for the presidential nomination of his party, and these votes will be watched with the greatest interest.

May Poll 800,000

Col. Henry Breckenridge, Roosevelt opponent in Pennsylvania, made no campaign and his vote was expected to be negligible. Most interest was on the number of preference ballots that will be cast for the president. Approximately 1,600,000 Pennsylvanians registered as Democrats for today's voting. Party leaders expected Mr. Roosevelt to poll between 800,000 and 1,000,000 votes. The chief executive was assured of the solid vote of the Pennsylvanians.

YARD FAMILIAR, YOUTHS JAILED IN CHICK THEFT

Familiarity of four hens with a barnyard and henhouse caused two youths to be assessed fines of \$200 and costs and 30 days each in the county jail Tuesday morning on charges of petit larceny. The youths are Carmon Allen, 22, Wayne-twp, and Roy Holcomb, 20, E. Main-st, city.

They were arrested Tuesday by Sheriff Charles Radcliff in theft of 21 hens last Saturday night from Ollie Garrett, Jackson-twp, who resides on the Rife farm.

In checking the theft, Sheriff Radcliff learned 21 chickens had been sold to Dwight Steele, poultry dealer, Saturday night, for \$18.00.

Sheriff Radcliff took four of the hens to the Garrett home and turned them loose. Three strayed scratching in the barnyard, the sheriff reported, and one went straight to the hen house, and jumped up on a nest.

The youths admitted petit larceny charges before H. O. Eveland, justice of peace. They were committed to the county jail to serve their sentences and until the fines and costs are paid.

Theory of Townsendism Advanced 140 Years Ago

Michigan Professor Reveals an English Plan of 1795 to Pay Annual Stipend to All Persons Over 50

ANN ARBOR, Mich., April 26.—Way back 140 years ago, England, in the person of one Thomas Paine, had a "Dr. Townsend" who proposed a plan for old age pensions and social security. This interesting fact is revealed by Prof. Everett S. Brown of the University of Michigan's political science department.

In 1795, Professor Brown says, Thomas Paine wrote a pamphlet entitled "Agrarian Justice Opposed to Agrarian Law and Agrarian Monopoly." In it, Paine outlined "a plan for ameliorating the condition of man by creating in every nation a national fund to pay every person, when arrived at the age of 21 years, the sum of 15 pounds sterling to enable him or her to begin in the world; and, also 10 pounds sterling per annum during life to every person now living, of the age of 50 years, and to all others when they shall arrive at that age, to enable them to live in old age without wretchedness and go decently out of the world."

"Poverty Unnatural"

The English "Dr. Townsend" based his proposal on the theory that poverty was non-existent in the natural state, and was a product of civilization which had converted land, originally "the common property of the human race," to private ownership, thereby robbing a portion of that

Prof. Everett Brown of the University of Michigan claims that Townsendism is 140 years old. "Poverty Unnatural" Pitt's Figures

human race of their natural birthright. To finance the payment of the "grubstake" of 15 pounds at 21, (Continued on Page Two)

ITALIAN TROOPS ONE KILLED, SIX NEAR CAPITAL HURT IN WRECK

One Column Only 62 Miles Away from Addis Ababa

ROME, April 28.—(UP)—An Italian motorized column has advanced southward 87 miles from Dessye towards Addis Ababa. Another column advanced 31 miles towards Addis Ababa from Uorra Ili, which is 35 miles south-east of Dessye, reaching the banks of the river Unseit.

According to Italian maps, the first column was approximately 62 miles from Addis Ababa and the second 77 miles.

ADDIS ABABA, April 28.—(UP)—Foreign missions united today under Fred Russell of Seattle to care for refugees and warriors flocking into the capital from the north at the rate of 10,000 a day.

C. OF C. DIRECTORS TALK MERCHANTS' ASSOCIATION

Directors of the Chamber of Commerce met Monday afternoon to discuss organization of a Retail Merchants Association in this city. Four directors attended the meeting.

The next open meeting of the organization will be held May 5 in the Chamber of Commerce rooms. Members will hold their American Hotel Coffee shop May next dinner meeting in the 19. The speaker has not been announced.

ASHVILLE WOMAN BUYS S. PICKAWAY PROPERTY

A property at 952 S. Pickaway-st was sold at sheriff's sale Monday afternoon to Mrs. Clyde Hoover, Ashville, for \$1,500. The property had been appraised at \$1,533 and was sold in the foreclosure action of Josiah Hinton, Pickaway-twp, as guardian of Viola May Hinton, against George Ayers and others.

ISSUE TO FACE 'UNITED FRONT' OF REPUBLICANS

Ways and Means Committee Approves Amendment to Plug Huge Loophole

CHANGES FACE DEFECT

Doughton Declares Bill May Be Called Up for Debate Wednesday

WASHINGTON, April 28.—The House ways and means committee today approved an amendment designed to close a \$100,000,000 hole in the estimated first-year yield of a new tax bill.

Ways and means committee came as the house prepared for consideration of the bill in an open partisan debate.

The committee approved an amendment that would alter the tax on "defective" corporations, under which corporations, with earnings in excess of \$100,000, pay a flat 15 per cent tax on the earnings instead of the 25 per cent original bill.

An amendment to the bill was believed certain of passage.

The loophole amendment approved by the ways and means committee provides that corporations paid in 1937 out of 1936 earnings will be taxed on the 1936 income and turns rather than 1937.

Without the change leaders of the bill's revenue would be at least \$100,000,000 short of the \$303,000,000 yield expected by the bill's sponsors.

Republicans, as a result of a first party conference of the session, were driving for a unified front vote against the bill. They admitted however that the powerful Democratic majority would win on all test votes.

The loophole amendment was formally agreed on by the Democratic members of the ways and means committee at a secret session last night and acted on at a full committee meeting today.

Final Votes Near

Chairman Robert L. Doughton of the committee, who is steering the bill through the house, said it was "probable" that the bill would reach a final vote tomorrow. Leaders hoped to speed up action on a score or more of amendments sponsored by opponents so that the 249 page bill could reach the senate Thursday.

BORAH TO MAKE SIX ADDRESS IN OHIO EFFORT

COLUMBUS, April 28.—(UP)—Plans for six speeches in Ohio by Senator William E. Borah of Idaho were announced today by Glenn Hancock, in charge of Borah-for-president headquarters here.

Following the senator's speech here Thursday, he is scheduled for addresses at East Liverpool on Monday May 4, Zanesville on Tuesday, Ada on Wednesday, Toledo on Thursday and Cleveland on Friday.

He will return to Washington for the debate on the tax bill following the Columbus stop. He will return to Ohio in time to make the first of his next week's engagements.

BAKER DIVORCE

Shift her divorce from a minor child case to a major one Tuesday.

Dafoe Denies Quintuplets Underfed

CALLANDER, ONT., April 28.—(UP)—Dr. Allan Roy Dafoe said today charges made by Oliva and Elzire Dionne, parents of the quintuplets, that the famous babies were not getting sufficient food were contradicted by the splendid physical condition of the girls.

The quins were 23-months old today and Dr. Dafoe said they were "in almost perfect physical condition."

Mr. and Mrs. Dionne charged the babies were hungry and restless. They said their famous children were fed only "a greenish mash, mashed fruit, oatmeal porridge, barely a third of a cup of milk each, and a small crust of brown bread."

If the Dionnes had their way, they said, the quins would be given thick soups, cooked vegetables, rice and "all the milk they could drink."

They also claimed, despite reports from the hospital to the contrary, that the girls can not speak "a word" of French or English.

They know their parents, who visit them twice daily, but have "never said anything at all," the parents said.

Dr. Dafoe said the babies continued to increase in weight monthly. He claimed that "every" outside physician to visit the hospital has expressed amazement at the perfect health of the babies.

"The diet of the babies," he said, "is one which is scientifically balanced, and I believe, has proven its worth by the splendid general health of the girls, and their steady physical development."

He said the babies have mastered some French words, such as "Le Docteur" with which they greet him, and "Au Revoir." They also know the names of a few simple articles in the hospital, and readily understand commands and instructions. They are not being taught English until they master French, native tongue of their parents.

Dr. Dafoe suggested "hungry babies" could hardly display the boundless energy possessed by his famous charges.

News Flashes

MILO RENO SERIOUS

EXCELSIOR SPRINGS, Mo., April 28.—(UP)—Hospital attendants today reported that the condition of Milo Reno, president of the Farm Holiday Association, has become critical. Reno, whose home is in Des Moines came here several weeks ago for treatment.

JOHN D. TO LEAVE

ORMAND BEACH, Fla., April 28.—(UP)—John D. Rockefeller, Sr., in sound health after a quiet winter at his Florida home, the Casements, will return north within six weeks, it was said today.

SELLING IS HEAVY

NEW YORK, April 28.—(UP)—The stock list ran into another period of heavy selling late this morning but around noon the leaders were making substantial recoveries from the lows. At noon the market was irregular and fairly active. Trading was sufficiently active on the decline to force ticks behind several minutes.

CIVIC CLUB MEN ENJOY WHITCRAFT'S ADDRESS

Judge Harley Whitcraft of Logan, candidate for the district court of appeals, delivered an inspiring address to the Kiwanis club Monday evening in which he stressed service and the Golden Rule. Several members of the Rotary club attended the meeting as guests.

Next Monday evening Ben A. Arneson, professor at Ohio Wesleyan university, will be the speaker.

SEWER EXTENSION WORK IS PLANNED THIS WEEK

WPA officials reported work on sanitary sewer extensions on E. Mill-st will be started this week.

Eight-inch extensions will be installed from the main line on Pickaway-st east and west. About 800 feet of sewer is included in the project. The line will extend east almost to Washington-st and west to the second alley east of Court-st, they said.

Finishing touches will be put on the Franklin and Watt-st sewer projects this week and the Mount-st extension will be completed.

Work on all projects will be resumed Wednesday morning.

ABERNETHY IS APPOINTED RECEIVER FOR COLUMBIAN

Appointment of James M. Abernethy, Columbus, former resident of Five Points, as special deputy superintendent of the Columbian Building & Loan Co. was made late Monday by W. H. Kroeger, state superintendent of building and loans.

BRICKER RULES TERM EXTENDER SOON EFFECTIVE

COLUMBUS, April 28.—(UP)—The so-called "term extender" act, giving all elective county officials four-year terms, applies to all county officers to be elected in November, Attorney General John W. Bricker ruled officially today.

The new law, sponsored by Rep. Jesse J. Gilbert, Montgomery-co, was recently signed by Governor Davey, but does not become law until after the May 12 primary election.

The attorney general ruled, in an opinion to Secretary of State George S. Myers, that inasmuch as the measure becomes effective as law prior to the election, officials elected at the November election will serve four-year terms.

"It is my opinion that a law changing the term of an elective office, which became effective prior to the date of election for such office, is controlling as to the term of any person elected thereafter, even though such a law was not effective at the time the candidates for such offices were nominated," the attorney general held.

Ballew Arranges Program of "Champions"

Spencer Tracy, Gloria Swanson, Others on
May Hour; Radio Sets to Be Streamlined

Ballew has a lineup of "champions" scheduled for Chateau May 2. They include Sonja Henie, champion woman figure skater of the world; Spencer Tracy, screen star and favorite of Broadway musical comedy poets; and Marion Davies, the Hollywood favorite, in an unusual role for radio. Chateau broadcast over a WEAF-NBC network at 9:30 p. m. The program will feature Victor Young and his orchestra in several unique arrangements of popular tunes and in the accompaniment for Smith Ballew's

Henie has been a figure skating champion for ten years and has won three times in the Olympic games. Recently she was named professional and is now in a comedy monologue. On the Chateau program will be interviewed by some of the intricacies of the program.

Tracy will play the lead in a comedy sketch, Miss Barrett, a comedy monologue; Gloria Swanson, one of the most famous dramatic actresses heard in Chateau

SOFTBALL LOOP SEEN POSSIBLE; INTEREST GROWS

Enough Backers Available,
Enthusiasts Believe, for
8-Team League

Interest is growing, several requests have been received for a meeting and from all indications Circleville will have a recreation ball league before the spring has progressed much farther.

Every day someone who has played or watched the games in years past suggests calling a league meeting.

It is probable enough backers could be obtained for either a 6 or 8-team league. The latter would be much more satisfactory since interest would probably remain high through the season despite the fact that one or two of the teams might be weaker than others. Softball fans like to see different teams in action and an 8-team league would hold their interest from the start of the season to the end.

Glitt, Robinson Active

Joe Glitt is already in action and has lined up a number of good ball players for the Circle City dairy. Dick Robinson is organizing for the Circleville Oil Co. Squirrel Jones and his boys are ready to play at the drop of a hat. It is probable the Cities Service Oils will enter the field since Clarence Helvering still has his uniforms from last year. The Eschelman mill would probably be interested, so would Ralston-Purina, and the Mecca restaurant could probably be induced to enter again. Another backer could be signed up with ease, persons seeking organization of a league believe.

It has been suggested that the league be thrown open to include any softball player in the county in order to provide a number of good ball players for some of the teams. By allowing outside athletes the probability of an 8-team league becomes brighter since there are hardly enough good softballers in Circleville to keep an 8-team league in operation. This, and many other items, would have to be worked out at a league meeting.

Field in Good Shape

The Southern Ohio Electric Co. field, under water part of last summer, now in good condition and could again be used through permission of Charles T. Gilmore, utility company manager. The SO Electric has always permitted use of the field without cost to the league.

The fence built last spring remains in sturdy condition despite the high water of the last winter, and the backstop is almost as good as new.

TITLE BOUT FOR JOHN LEWIS SET WITH JOE KNIGHT

MIAMI, Fla., April 28—(UP)—Negotiations for a title bout between light heavyweight champion John Henry Lewis and Joe Knight, southern contender, reportedly were near completion today.

According to Knight's managers, the fight would take place at Madison Square Garden in New York next month.

Knight, of Cairo, Ga., was named No. 1 contender by the Miami Beach Boxing Commission after his recent victory over Max Baek, Chicago, "white hope."

BABE RISCO, MIDDLE CHAMP, TO GET ACTION

SAN FRANCISCO, April 28—(UP)—Eddie (Babe) Risko, middleweight champion of the world, and Freddie Apostoli, San Francisco's fighting bell boy were to start training today for their 10-round non-title bout scheduled for Dreamland auditorium May 8.

Risko recently lost a 10-round

About This And That In Many Sports

Track Meet Friday

All details have been completed for the annual Pickaway-co track and field meet to be held Friday at the Pickaway-twp school. The events start at 10 a. m. with William Griffith, former Circleville coach, in charge of the meet. The new track, measuring one quarter of a mile, is ready for the county harriers. The track will be soft and possibly slow if much more rain falls, but what's fair for one school is fair for another.

Upset Is Possible

Though New Holland in recent years has been top-heavy favorite to bump all county competition in the field day, an upset is possible with several schools having bumper crops of athletes. Several schools had not yet filed their eligibility lists with Supt. M. C. Warren on Tuesday although Monday was the deadline for listing athletes. The winner of the field day is determined by adding scores of boys and girls.

Caldwell and Myers

Felix Caldwell and George Myers, two of the Pickaway Country Club's most enthusiastic golfers, tied in the handicapped tournament Sunday. Their scores were 90 and 91, respectively, but Caldwell's handicap is one stroke less than Myers'. Tod Thompson, new professional, has made many friends in his short stay at the club. All members who have not met him should make it their business to make a trip to the club.

Trosky and Campbell

Though 'tis quite early in the season to be picking outstanding ball players, two of the keenest comebackers of the spring are Hal Trosky and Bruce Campbell of the Cleveland Indians. Trosky, a star as a freshman, fell down as a sophomore. Now in his third year with the Indians he is petting the apple with reckless abandon. Campbell was stricken with meningitis in the middle of last season, and death was feared near. His splendid constitution pulled him through and now he is playing great ball in right field for the Indians.

10 Hitting High

Leading hitters in the two leagues today are: American, Gehring, Detroit, .457; Dickey, New York, .417; Bell, St. Louis, .404; Travis, Washington, .389; Campbell, Cleveland, .386; National, Terry, New York, .500; Lombardi, Cincinnati, .455; Medwick, St. Louis, .452; Moore, New York, .438; Geraghty, Brooklyn, .429.

Redlegs Attract

These Cincinnati Redlegs have struck a popular fancy and seem on the way to drawing some mighty crowds into Crosley field. Upward of 50 Circleville fans will be in the stands next Sunday when the New York Giants travel westward as the opposition. The Redlegs have proved they are going to be hard to get along with as a result of their handling of St. Louis and Chicago, strongest teams in the loop.

Eschelman Co. Thanked

All trophies and other awards in the recent field day of the county Bird Dog Club were presented by the John W. Eschelman and Son Co. Sportsmen have asked that the Eschelman company be thanked for its gifts and for the interest it has shown in sports activities in Circleville and Pickaway-co.

decision to Freddie Steele in Seattle. Fight fans expected Apostoli to enter the ring overweight.

YESTERDAY'S HERO: Tommy Thevenow, Cincinnati second baseman, who singled in the 10th inning to send home the winning run.

TIGER CONFER ARE DEFEATED BY ARLINGTON

Jenkins Tallies One Over Par
on First Nine; Team Beaten
By Single Point

Circleville high school golfers were unable to enter the victory column Monday afternoon on their own course although they gave Upper Arlington's fine team a run for its money. The score was 6½ for Arlington and 5½ for the Tigers, the same score as that tallied with Bexley last week.

Thursday afternoon the boys coached by Virgil Cress will travel to Columbus West, the course not yet being named, and Friday afternoon Grandview comes here.

John Jenkins tallied one stroke over par in the first round of his match with Durant, district medalist for the last two years. His 37 was counted with a 4 on No. 8, the only hole he played over par figures. The nine hole card follows: 4 3 4 4 5 4 5 4 4.

Jenkins was unable to continue his hot pace, however, and scored 41 on the "in" nine losing a point. He won two points with his 78 against an 80 scored by Durant.

Chuck Styers won two and one-half points from Bill Nosker with an 86, Nosker carding a 90.

Dick Melson, Red and Black No. 3 man, lost three points to John Seidel. The Arlington golfer had an 87 against Melson's 97.

Raymond Adkins, Tiger No. 4 golfer, took one point from Bill Schenck while losing two. Schenck shot 94 and Adkins 97.

The Tiger team, getting a lot of early season practice, is expected to be in top form for the Central Buckeye league tournament to be held on the Upper Arlington course in a couple of weeks.

CREDENTIAL COMMITTEE PASS ON RACE DETAILS

COLUMBUS, April 28—(UP)—The credential committee of the state racing commission met here today to pass on applications of jockeys, trainers, jockey's agents and owners. Approximately 300 applications have been made.

William Dangman, Columbus, and J. W. Denning, Cincinnati, formed the committee that will pass on the applications.

Brevity Horses to Meet Derby Followers Learn

Field May Number from 13 to 19; Efforts to Break Down
Widener Horse's Chances Are Failures

LOUISVILLE, Ky., April 28—(UP)—A starting field of from 13 to 19 with Brevity the one to beat—that was how the Kentucky Derby shaped up today, four days in advance of its 62nd running at Churchill Downs.

Joseph E. Widener's Brevity, a favorite in the future book during most of the winter, continues to gain supporters and may go to the post Saturday an odds-on favorite. He closed in the winter book at 8-5.

Soothsayers, crystal gazers and just plain guessers are trying desperately to break down Brevity's chances. Some say that Brevity's breeding isn't up to derby standard. Others say "Widener luck"—which has always been bad in connection with the derby—will trip Brevity. And others say he just isn't the horse.

But Brevity goes on winning, and either breaking records or coming close to them. In his first start this year he turned a mile in 1:36, only one and three-fifths seconds off the world's record. He next equalled the world's record of 1:48-1/5 in winning the Florida derby.

In winning the Sophomores' purse, one of the opening features at Churchill Downs Saturday, Brevity ran the seven furlongs in 1:24-1/5, only a second slower than the track record.

Most of the prominent trainers, owners and horsemen regard Brevity definitely as the one to beat. C. Barry Shannon, manager of Col. E. P. Bradley's Idle Hour farm at Lexington, Ky., strongly favors the Widener colt.

"Brevity holds the commanding position," said Shannon, "providing the track is fast Saturday. If the track is muddy I would lean to Grand Slam. I expect Banister to carry Col. Bradley's colors to second place regardless of whether it's a fast or muddy track. I think Brevity is one of the best 3-year-olds I have seen in years and it will take a great horse to beat him."

The derby lineup for Saturday after today's workouts and the running of the derby trial at a mile, nine of the ten horses entered in the trial are eligible for Saturday's big race.

BURLEIGH GRIMES FINED AND HANDED SUSPENSION

COLUMBUS, April 28—(UP)—Manager Burleigh Grimes of the Louisville club of the American Association, today was suspended for 48 hours and fined \$25 by President George M. Trautman.

The fine and suspension resulted

THREE MEN SLAVE TIME FOR GIVING HORSE NARCOTICS

MILAN, Mich., April 28—(UP)—Three men, convicted of administering narcotics to a race horse at the state fair grounds track in 1934, were in Milan detention farm today serving sentences of six handier also were fined.

Joe T. Patterson, manager and chief trainer at the Audley farms stables of Berryville, Va., and his two aides, Robert Wingfield, assistant trainer, and Horace Moore, handier also were fined.

Patterson was ordered to pay \$1,000, Wingfield, \$500, and Moore, \$250. The men surrendered to federal authorities after the United States Supreme Court declined to review their lower court convictions.

BIRDS AND BLUES TO MEET THIS AFTERNOON

BY UNITED PRESS
Kansas City and Minneapolis maintained their relative positions of leader and runnerup today as all American association teams renewed warfare at the same stands.

A Kansas City loss today and a Minneapolis victory would leave the two clubs in a tie for the leadership.

St. Paul defeated Louisville 3 to 1 in the only game played yesterday. Kansas City at Columbus and Minneapolis at Indianapolis, the only other games scheduled, were rained out.

St. Paul's victory came in the last inning when Steinbacher doubled after two men had walked to send in a pair of runs.

It was a pitching victory for Weir, although he gave up 9 hits to 8 off Louisville's Marrow, who was replaced by Ringhofer in the ninth inning.

Today's schedule:
Kansas City at Columbus; Minneapolis at Indianapolis; St. Paul at Louisville; Milwaukee at Toledo.

Remember When?

Circleville received its first fire truck.

Circleville's first fire truck was commissioned in service March 17, 1913.

When the new truck was brought to Circleville a series of demonstrations were presented under the supervision of John P. Ahrens, vice president of the Ahrens Fox Engine Co., Cincinnati.

Fire chiefs from Lancaster, Washington C. H., and Chillicothe witnessed the demonstrations. This truck was one of the first delivered to a central Ohio city. Tests were made on the pumping capacity and speed. The engine cost \$9,500 and weighed 14,000 pounds.

John C. Goeller was mayor at the time the purchase was made. William Miller, safety director, and Mart Baer, fire chief.

THEATRES

AT THE CLIFTONA

All screen lovers who count Marlene Dietrich and Gary Cooper among their favorites have a rare treat waiting for them at the Cliftona theatre, where the new Paramount romantic comedy, "Desire," plays for the last time today. It is the first time this glamorous pair has been cast together since "Morocco".

Comedy, drama and adventure are expertly interwoven into the texture of this exciting and diverting film, which recounts the romantic adventures that follow a sensational jewel robbery by a breath-taking Continental beauty. The clever way in which Miss Dietrich purloins a costly string of pearls while the owner and a psychiatrist are going through a comedy of errors, of her contriving, cannot be divulged as it would eliminate the surprise that attends this amusing situation.

EVEN HIGHEST IN EIGHTH GRADE TEST ANNOUNCED

17 GIRL TOPS 15 BOYS IN CITY; 10 PAPERS GRADED

County Superintendent Reports Rural Grades to Be Known in Few Days

Marilya Lutz, daughter of Mrs. Marion Lutz, won first honors in the eighth year tests given last week. Her score was 164.

Mary Conyers and Mary Fick tied for second place with scores of 157. Harvey Johnson and Robert Bowsher tied for third with scores of 154. Eleanor McDill was fourth highest with 153 and Bernice Strawser, fifth, with 152.

Results in county eighth year tests, given last Friday, will not be available before Wednesday or Thursday, George McDowell, county superintendent of schools, announced Tuesday morning.

The scored tests were returned to the county office Monday but a large amount of work is required to rearrange the papers before results are obtained. County awards will be presented to those who rank in the upper 25 per cent. State awards are given those who rank in the high one per cent. A total of 355 tests were given in the county schools.

Mainly About People

ONE MINUTE PULPIT
For there is nothing hid, which shall not be manifested; neither was anything kept secret, but that it should come abroad.—St. Mark 4:22.

Arthur Howson, well-known Chillicothean, has been elected president of the Rotary club of that city.

Methodist men meet at 6:30 p. m. Tuesday to enjoy a dinner and hear talks by Clark Hunsicker and M. C. Warren. Annual election of officers is scheduled.

Fraternal Order of Eagles will have their nomination for officers at 8 p. m. Tuesday. A good attendance is expected.

Miss Elizabeth Dunlap, W. Franklin-st., underwent an appendectomy in Berger hospital Tuesday morning.

Junior Davis, son of Mr. and Mrs. H. C. Davis, E. Franklin-st., is improving. He has been ill with the gripe since last Friday.

Dr. E. L. Montgomery is ill with quinsy at his home.

Dennie H. McClarren of the United States Army Air Corps, stationed in the Philippine islands, is visiting this week with his mother, Mrs. Leah Thompson, 137 Walnut-st. He was recently discharged from General hospital in San Francisco, Cal., where he received treatment for injuries suffered during maneuvers.

Miss Margaret Hirt of Columbus returned Monday to her home after a week-end visit with Misses Laura and Emma Mader, E. Franklin-st.

Mr. and Mrs. F. E. Barnhill, N. Court-st., returned Monday evening from a week-end visit with their son-in-law and daughter, Mr. and Mrs. Troy Snyder and son, Barton Elliott, of Ashtabula.

TWO UNHURT AS FIRE SWEEPS FARM GRANARY

CHILLICOTHE, April 28.—Two persons narrowly escaped injury when a drum of gasoline exploded igniting a combination granary and tool house with a loss of four calves and 3,000 bushels of corn. The fire occurred on the farm of Robert Herron near Kinnikinnick. Philip Andrews, 11, nephew of Raymond Coffenberger, the tenant, and George Boyer, employee, entered the granary to feed the calves. The lighted lantern apparently ignited fumes from the gasoline drum. Loss was estimated at \$3,000.

PROWLER IS REPORTED IN SCHOOL BUILDING

A prowler entered the high school building Monday night by "jimmying" a window on the north side of the building in the manual training department. Police investigated Tuesday morning but could find nothing missing nor evidence of ransacking. This is the second time this term the building has been entered. On the first occasion the desk of E. E. Reger, principal, was opened and a small amount of change taken.

FOUR SMOTHERED IN HOUSE FIRE; MOTHER ESCAPES

PARSONS, W. Va., April 28.—(UP)—A mountain ranger and his 3 children smothered to death today in their burning home while the wife and mother leaped to safety from the second floor.

The victims were Donald R. Gaudineer, and his children, Doris, 12, Helen, 8, and Barbara, 4 months.

Gaudineer, ranger in charge of the Cheat district of the Monongahela national forest, was overcome when he sought to rescue his three daughters, trapped in their bedroom.

Mrs. Gaudineer, forced back by smoke, was bruised when she leaped from a window to the ground.

WALLACE DEMOCRAT

DES MOINES, Ia., April 28.—Secretary of Agriculture Henry A. Wallace was a full-fledged member of the Democratic party after many months as a member of President Roosevelt's cabinet. County Auditor Ernest Olmsted announced receipt of a request from Wallace asking that he be registered here as a Democrat. Previously, he had been registered as a Republican.

FLEEING BANDITS KILL POLICEMAN

Shooting Takes Place in Indiana; Lima Store Robbed

INDIANAPOLIS, April 28.—(UP)—Four desperadoes fleeing from a Lima, O., shooting were suspected today of slaying Police Sergeant Richard Rivers.

Rivers and two brother-officers of the radio patrol squad answered a call from the home of Dr. E. E. Rose last night. As they stepped from their car to investigate, four men dashed from the home, shooting. Rivers fell fatally wounded and the four escaped before the other officers could reply.

A partial check of license numbers and identifications indicated the band might be the same one which held up a Lima jewelry store Monday and escaped after a gunfight.

They called at Rose's office late Monday to have one of the members treated for a bullet wound. Rose was unable to summon police at the time and doubted they would keep a later appointment.

When they appeared later his wife slipped out a rear door and summoned police.

The outlaws obtained \$15,000 in merchandise in a Kay Jewelry Co. robbery in Lima, a duplicate of one staged several weeks ago. A Lima patrolman, Ed Swaney, was seriously injured when the automobile in which he was chasing the robbers crashed against a pole.

TED HUSING MARRIES

NEW YORK, April 28.—(UP).—Ted Husing, radio announcer, and Celia Ryland, film actress, were married at Harrison, N. Y., last night.
